

France

Can you say these useful expressions in French?

Bonjour (bon zhoor) - Good morning

Salut (saw-loo) - Hello

Au revoir (o-rhe-vwa) – Goodbye

s'il vous plait (see voo play) – Please

Merci (mair-see) - Thank you

oui (whee) /no (no, the same as in English) – Yes / No

France is located in western Europe. It is sometimes called the country with six sides. Some of its borders are with other countries, and some are coastlines. The island of Corsica is part of France.

France has cool winters and mild summers. Except in the south where it is very warm during the summer. Oranges and lemons can grow in the south!

More than 350 kinds of cheese are made in France. Cheese is one of the things France is famous for. It is also famous for other food and special styles of cooking, fashion, art and dance.

The Eiffel Tower is in Paris. It is a famous landmark and was built in 1889 for an exhibition. It was supposed to be temporary, but it still stands today.
