- Application and
Release: A completed and signed official Application and Release form must be filed with the Saint Paul Winter Carnival, Saint Paul Festival and Heritage Foundation, 429 Landmark Center, 75 West 5th Street, Saint Paul, MN 55102, no later than January 15th, 2023, for each person who wishes to become an Applicant.
- Contestant(s): Each entry may have up to two contestants. If an entry has two contestants submitted as a “team”, both may collaborate on the sculpture submitted. Awards will be made for the carving as a single entry in the Contest with the team thus sharing the prize and honors. Only the contestants and helpers are allowed in the carving area. You/We may refer potential contestants that want to be on a team. Please Contact SPFHF for details.
- Helpers: Each entry is limited to one helper who must be at least eighteen (18) years of age on January 29, 2023. The helper must be registered at the time of contestant application. A helper can lift, move, touch or hold the ice with only tongs or hands. A helper may clean any part of the carving area but not the ice carving itself. Only the contestants and helpers are allowed in the carving area.
- Selection of
Contestants: Applicants will be screened by a Selection Committee and selected to participate on the basis of proposed sketches which become the property of the Saint Paul Winter Carnival upon submission with the applications.
- Sculptures may not contain sexual or political themes. The Selection Committee will not select any proposed sketch deemed, in its sole discretion, to contain inappropriate political themes or to be inconsistent with community standards.**
- Event
Date & Times: Contest date is **Sunday, January 30, 2023, 9 a.m. to 2 p.m.** Registration and pre- and post-contest meeting times and locations will be emailed or mailed to selected contestants prior to the start of the contest.
- All competition ice is to be carved on the premises, and within the specified time limits. Sculptures may be started no earlier than 9 AM. All work on sculptures in both divisions must be stopped by 2 PM. No one may touch the carving ice or scrape ice after the time clock has stopped. Only tools can be removed from the carving area during a five-minute grace period after the time clock has stopped. Only the contestant(s) and one helper are allowed inside the roped-off carving area. Judging will begin for all divisions as soon as those areas have cleared.
- Entry
Consistency: A contestant’s sculpture must be consistent with the sketch that was proposed and selected by the Selection Committee. Any sculpture deemed inconsistent with the selected sketch is subject to disqualification.
- Ice Provision: All categories will be furnished with *two full blocks* of artificial ice. Each block will be approximately 10” x 20” x 40” in size. There is no requirement for a base; you may use the ice as you wish. This ice is TOTAL USABLE ICE. Finished sculptures must be entirely of ice.
- Rules officials may allow flawed blocks of ice to be replaced before the event begins. If a block breaks during the competition, rules officials may authorize a replacement under the following conditions:
- The break is determined by the rules official(s) to have been caused by another team, competitor, or helper of another competitor, competition worker or spectator.
 - Original time restriction will still be in effect (no extra time given for broken block).
 - Replacement of ice is subject to availability of ice.
- Participation in the Contest will be at the sole risk of the contestant(s). The Saint Paul Winter Carnival bears no responsibility for property or personal loss, damage or injury suffered in connection with participation in the Contest.

- Safety:** Each competitor is responsible for his/her own safety as well as the safety of other competitors and the general public. Remember - SAFETY FIRST! The rules officials have the right to stop you from carving if something is deemed unsafe. In addition, each competitor is responsible for the safety of his/her carving. The Saint Paul Winter Carnival cannot be responsible in the event your carving is destroyed or damaged by the public, another carver, or staff members.
